源于仿生学蝶翼造型，自调试双腰托设计，更像天使的翅膀，在您专注工作和学习时灵活有力支撑腰椎和贴合腰部，双节机械臂扶手独特设计，可反转收纳、PU扶手更亲肤易清洁，满足不同身高体重和用户需求，完美贴合、舒适承托，让您时刻保持健康的身体形态。

Derived from the bionic butterfly wing shape, the self debugging double waist support design is more like an angel's wing. When you focus on work and study, it can flexibly and effectively support the lumbar spine and fit the waist. The unique design of the double section mechanical arm armrest can be reversed and stored. The Pu armrest is more skin friendly and easy to clean, which can meet the needs of different heights, weights and users. It fits perfectly and supports comfortably, allowing you to maintain a healthy body shape at all times.
